MEN'S COACH ARTICLE

Being an Introvert Doesn't Make You Less of a Man

By Brendon W Giebel

AdvancedMaleDevelopment.com

There's been a lot of talk about the different personality types in the last few years, and I'm sure you've all seen the social media quizzes and clickbait articles on the subject. While there's always a bit of pseudo-science and high-school drama class level of rhetoric involved, traits like extrovert and introvert are real.

It's a bit more nuanced than that – in the Big Five personality trait model, Extraversion, or lack thereof, is a sliding scale rather than a black-and-white contrast. The way we regular people see introverts is probably a mix of low Extraversion and low Agreeableness, but that's a whole different can of worms.

In modern society, introverted men are often seen as more gentle, frail, even fearful, and shy. What's worse, such men, guided by the feedback they get from their environment from an early age, often see themselves that way. Well, I'm here to show you that being an introvert says little about your confidence, bravery, or manliness. Here's why.

The Myth of the Classic Manly Virtues

Many of you may not have seen some of the old cowboy movies, and I'm certainly not going to date myself by citing names, but you all know the hero type.

He's outspoken, the life of the party – he plays cards with the lads and flirts with the gals, always with a sly grin on his face. You'll find him with the sleeves of his flannel shirt rolled up, axe in hand, finishing up some errands around the ranch.

Well, being handy is no longer about who can chop the most wood or wrangle the biggest wild bull. The virtues are still the same, but the way they are manifested has changed a whole lot.

You can be just as confident and handy with computer software, interesting and flirty talking about books at a small gathering of close friends, or protective and assertive with very few spoken words or overt actions.

Manliness is in the mindset, moral virtues, respect, and willingness to act when needed; all the other variables are not important.

Don't Mistake Being Reserved With Being Unconfident

Most people will see someone who is reserved and assume that they lack confidence, that they are timid. Now, there are a bunch of big strong guys who are incredibly socially awkward, and a lot of veterans who are certified badasses with combat experience tend to be anxious and reserved when they get back to civilian life.

Bedrock 2021

Getting to Bedrock is the metaphor for this gathering. Men getting to a place of solid ground, of deep sharing, broad discussion and living in the community. Some could call it a little bit of dream time, a time of exciting visioning and finding what is real in our lives.

This call to community is made by our Elders who ask you to come to Bedrock to join and be supported by them as we live for a time in communion and brotherhood.

Bedrock is based on the ancient mysteries of circle work, where each man is respected for their truth and each man is supported to stand in the circle to speak from their heart. Now and then we will break out and explore topics that intrigue us in the deeper space of smaller groups.

Conversations go where they need to go. What needs to be discovered and revealed – happens. Because of this organic nature, men attending will need to have experienced men's work in some form. We do not see Bedrock as suitable for a man's first dip into men's work. [More Information ...](#)

A Weekend of Resilience

A weekend of Resilience (n) Connect with our soul sisters in a weekend of togetherness, support, playfulness and celebration.

- The capacity to recover quickly from difficulties; toughness.
- The ability of a substance or object to spring back into shape; elasticity.

We, the WWA Committee are feeling the sadness and separation of not being able to connect at the Everywoman Gathering (EWG) this October, so as we are resilient, we have dreamed up a new event that will investigate this important attribute in these challenging times.

We also know that it's damn good fun when women get together on mass to connect, share, learn and grow and laugh deep into our bellies!

The entire family, Mums, Dads & the teenager himself are all experiencing this period differently. Here is a way of supporting the change for all in a meaningful, joyous and family-friendly way.

For boys aged 13-16yrs, this period is either fraught with danger or ripe for the harvesting – which will it be for you and your family!!

If you are reading this is not by accident...

Despite many men having friends and family around day today, the truth is that most guys don't have the opportunity to share what is truly happening in their lives and how they really feel about it. Most men just go on about their daily lives without really noticing the signs of isolation until ADVERSITY STRIKES and realise they only HAVE A FEW OUTLETS to get stuff off their chest or talk things through.

This is particularly true for men entering their '30s, '40s and '50s who focus on their careers or their families and all of a sudden run into new challenges like ... [More Information...](#)

Cecil's Men's Hub ~ Men's Groups Worldwide Directory

Did you know that my Cecil's Men's Hub ~ Men's Groups Worldwide Directory is ready and available, please visit to see how this platform can help change Men's lives and connect them to Men's Groups on a regular basis.

The Directory (over 450+ Men's Groups already) will initially cover Australia with Groups from London, UK, Ireland, Canada, Singapore, Austria and North America.

* Some of the Groups are under a 'Claims Listing', this will enable existing Men's Groups that find their Group to 'Claim' it as their own as a 'FREE'

Basic Group or upgrade to a 'Paid' Plan & gain extra benefits/features.

WHAT'S AVAILABLE?

The Directory will allow Men to search for their nearest Men's Group to their location FREE of charge!

It will enable any existing Men's Groups Worldwide to register a FREE to join and get a 'Basic' listing, they get listed in seconds, this will give them a low priority 'GoogleMaps @ Pin' search result, and this will be under 1 particular Association.

Some Men when searching for a Men's Group, have heard of a particular Men's Group type or Association.

It's for this reason that I have created Categories for each of the common ones to be used in the Search Bar, this will 'Auto-Fill' as the user types. Currently, there are 11 Associations that each Men's Group can be listed under, depending on their style of facilitation/origin that they follow.

THESE INCLUDE:

YEARLY MEN'S GATHERINGS ...

WHAT IS MEN'S GATHERING?

A Men's Gathering is where you can connect with other Men, from all backgrounds, religions, political and sexual persuasions. These gatherings offer a safe, non-judgmental, supportive space where men can explore the connections, modalities, challenges and exercises that facilitate real and lasting change. They all offer high-quality workshops from varied Modalities, that you are free to take part in as many or few as you wish. This is your time, to use as you wish but hey, why not take advantage of the experience? There are currently 15 Yearly Men's Gatherings as part of Open Ground training per year in Australia, plus others that are not part of the Common Ground training, and one in New Zealand.

MEN'S GATHERING BY MONTH

JANUARY

SYDNEY MEN'S FESTIVAL

The Sydney Men's Festival is a chance to talk, relax, participate in and run workshops with other men. The Festival is an annual event held at the end of January each year on the second last full week of the school holidays. The Festival is open to all men regardless of colour, creed, religion, sexuality, profession or employment status.

Affinity Groups

At the previous festivals, we have formed small groups to provide support and companionship. These affinity groups have provided a focus for each of us to share our experiences throughout the Festival. The groups take turns in preparing meals, washing-up and cleaning.

Workshops

Anyone at the Festival can present a workshop. In previous years, workshops have explored such issues as men's health, love, fear, shame and guilt, spirituality, anger, wild man, meditation, community, initiation, parenting, touch, sexuality and sensuality, wrestling, singing, massage.

Food

The first meal of the festival will be served at dinnertime on Sunday. For cost and health, meals are mainly vegetarian, sometimes with meat options, and are organised by the affinity groups with the help of the food coordinator. You are welcome to make arrangements if you have a special diet.

Activities

The camp is in bushland overlooking the Georges River, so there is plenty of opportunity for swimming and bushwalks. A cabaret is normally held on Saturday night.

Accommodation

Only a limited number of bunks with the mattress are available in dormitories or cabins, so please bring your own sheets and pillow. Also as a backup, please bring a tent, sleeping bag, pillow and mattress. [Read more...](#)

IOM #6 - METAMORPHOSIS

Four per year, April, July and November, December

Island of Men (IOM) is a 1-day event dedicated to helping men find a deeper connection with self, community and nature. We are excited to announce that this event will be unlike any island before. We have an incredible new location, new facilitators and a brand new program.

The last 12 months have been a challenge for people all over the world and many have suffered incredible heartbreak and loss, to not just the pandemic but the mental issues it has brought upon us as a community.

We've also seen the power and incredible commitment of our communities, specifically our frontline health workers who have more than risen to the occasion when it was needed most. It is with these heroes in mind that the IoM committee decided to dedicate this event as an opportunity for all men to grow, evolve and thrive as we begin life again in 2021.

That's why we are excited to announce our next IOM event "Metamorphosis" on the 25th of April 2021 at Gilwell Park from 10 am to 6 pm (please arrive at 9 am for registration, coffee and catch-ups)

"What a day!

A fantastic experience to be surrounded by so many amazing hu-men. The workshops were great, the love felt by all, the power of the Sacred Heart circle. This is a much-needed facility in a time where I, as a man, realise it's on me to create the change I want for myself and my surroundings. And to spread that change to all men around me. A powerful tool to claim back our masculinity.

"What an amazing day. Very full and heavy heart by the end, in a very good way!"

Truly powerful and inspirational work behind the guys that brought this beautiful space together. What an Honour it was to be apart of this event !! An absolute must for Men - Please do more.

"A great day organised by great people, I went in hungover and came out inspired!"

MAY

Manshine 2021 is Friday 30th April – Monday 3rd May 2021

When the landscape has been burned and scarred, it may look to be alien, uninviting and desolate. In the natural world, a charred landscape can enable something fresh, new and energetic to emerge. Order can come from chaos.

Our landscape can regenerate.

How is your landscape doing?

Manshine 2021 has workshops to energise, question and explore – all the tools you need to help seed your own regeneration.

At Men's Wellbeing, we pride ourselves on supporting men through whatever they are going through, whether they are flourishing and looking to enrich their lives or they have hit a crisis and are reaching out for help. You will find men from many different backgrounds and experiences all coming together for the long weekend in May to help support one another along the journey. [Read more ...](#)

WISE MEN GATHERING

Wise Men Gathering 2021 is Friday 21st May – Sunday 23rd May 2021

A Call to the men... to gather.....to connect and feel one another's presence.. to be heard and understood as men... to be seen and to see one another's vulnerability, our strength... to discuss what it is to be an authentic man in today's world...

Connect and meet together to examine and explore that which is missing in our modern world... our birthright. Few ways are truly open to us as men today, to prove our mettle and to test the limits of masculinity.

The frontiers now lie within ourselves, in our ability and capacity to bravely and honestly explore who we are, without macho ideals, and to discover the man we strive to be. Join us for a weekend of viewing, witnessing, and discussing the archetypes of modern masculinity.

OCTOBER

MENERGY MEN'S GATHERING

Menergy is the Victorian arm of a national not-for-profit organisation Men's Wellbeing that has been providing men's events and men's support groups for over 20 years.

Menergy is an all-inclusive 3 day Men's Gathering wilderness retreat that provides workshops and ritual around celebrating masculinity and helps men discover more of themselves in a nurturing, supported and trusted way. The detailed program we run has been developed for over 15 years and has seen thousands of men grow and learn through this process.

At the heart of a Menergy weekend is the opportunity to attend and partake in many of the myriads of workshops that are focused on Men's health and wellbeing. These workshops help men to be empowered in our masculinity through vulnerability, support, and a greater understanding of trusting ourselves and our unique gifts as men. (from Menergy.org.au)

MAN ALIVE

MAN ALIVE Men's gathering is a weekend away just for men - all men. Away from work, family and social commitments you can spend your time being instead of doing. MAN ALIVE open to all men from any background, religious, political or sexual persuasion. We encourage men to be real with themselves and others in a supportive and non-judgemental environment.

You can expect a warm welcome and plentiful conversation and laughter, with many opportunities to get to know yourself and others in a strongly grounded space of respect, growth and trust. We run our gatherings based on the concept of Open Space - where you can offer to host a session, ask for a specific session to be run, or participate where you are called to. This gives us the chance to co-create an agenda for the weekend that suits where we are all at. We also have components of ceremony and home groups, which support us to connect as a whole community and make sense of what we are learning together. [More Information ...](#)

BEDROCK

Getting to Bedrock is the metaphor for this gathering. Men getting to a place of solid ground, of deep sharing, broad discussion and living in the community. Some could call it a little bit of dream time, a time of exciting visioning and finding what is real in our lives.

This call to community is made by our Elders who ask you to come to Bedrock to join and be supported by them as we live for a time in communion and brotherhood.

Bedrock is based on the ancient mysteries of circle work, where each man is respected for their truth and each man is supported to stand in the circle to speak from their heart. Now and then we will break out and explore topics that intrigue us in the deeper space of smaller groups.

Conversations go where they need to go. What needs to be discovered and revealed – happens. Because of this organic nature, men attending will need to have experienced men's work in some form. We do not see Bedrock as suitable for a man's first dip into men's work. [More Information ...](#)

MANHOOD

Manhood Men's Gathering is a not-for-profit men's community event with facilitated workshops, groups, activities and social time. The theme this year is Explore Healthy Masculinity – where each man is invited to define for himself what it means to be a better man in today's world.

The culture is open, accepting, warm and non-judgemental. Every man is welcome and can expect to learn and share equally. Come along and share your story and listen to the stories of other men. Deep respect is asked and given.

The gathering is held at beautiful Camp Bornhoffen, Numinbah Valley in the McPherson Ranges of the Gold Coast Hinterland. Retreat to mountain country, fresh air, a mountain stream with a waterfall, bonfires and spectacular views. (from ManHood.org.au)

NOVEMBER

SOUTHERN MEN'S GATHERING

The Southern Men's Gathering, November 12th to 14th 2020, is a Men's only event created to improve the emotional wellbeing of men.

What 'The Integrated Man' can offer you is the opportunity – to recharge in nature, to connect with like-minded men, to sit in a space of stillness and safety, and to have some fun.

This event will run counter to the often narrow and repressive culture of traditional masculinity, where superficial conversation, competitiveness, disconnection and suppression of emotion tend to rule. Instead, you will connect deeply with other men, form support networks and community, and you will have the opportunity to develop your emotional literacy.

We invite you to join us in exploring your own unique expression of positive masculinity.. [Read More ...](#)

WEST AUSTRALIAN MEN'S GATHERING

Introducing the WA Men's Gathering 2020

“No Man is an Island: It's Time to Nourish The Tribe”

Well, it's certainly been a year to remember. Or maybe forget? How fortunate are we in WA; by good luck and/or good management, we remain free of community spread. So at this stage, we can confirm that the 2020 WA Men's Gathering will go ahead on November 13th – 15th.

In short, the Gathering is a live-in weekend, organised by every-day blokes, for men only. It provides a safe and supportive environment to explore current issues, tell their story, and have some fun together. It has been held in Perth every year since 1995.

Participants listen to guest speakers, attend experiential Workshops, and share stories in smaller “Affinity” Groups. It is a rare and valuable opportunity for men of all ages and backgrounds to be themselves, enjoy each other's company, and celebrate life as well-rounded blokes.

The 2020 Gathering will be held at Jarrahfall Bush Camp on the outskirts of Dwellingup over the weekend of November 13-15. Think masculine: a bush setting, fire pits, smoke, barbeques, “roughing-it” accommodation with bunk-house, swag and camping options, men's circles, great meals and a no-pressure program, easy on the introspection scale. GATHERING MEN

Australian Men are in a perilous place.

The hard facts: 6 of 8 suicides. 7 days a week

Our Men need a time out. A moment to catch their breath. They're calling for a safe space. To let it out. To be open, honest, vulnerable.

A place to rediscover connection, meaning & purpose in their lives. We're listening carefully. Opening our hearts & minds. And crafting such a place.

Welcome to a fresh, new approach to Australian Men's Health & Well Being. Together, we're creating something rather different. Join us as we re-imagine healthy masculinity.

Welcome to our place. To your place. A safe trusted space for men to deeply reconnect.

- To ourselves. Each other.
- To Country.
- To First Nations wisdom.
- To Community.
- And the people we love most in our lives.
